Designs

Design pledge

Beautifully designed and made in England by expert craftsmen, our collection of unique contemporary curtain poles and accessories promote an unrivalled sense of style and sophistication.

A family business, Jago Designs is passionately dedicated to innovative design and manufacturing of high quality curtain poles and accessories. Inherent in our brand and products, our highly maintained level of quality and design is never compromised.

We are proud to have achieved a rapid following of discerning, prominent Interior Designers

worldwide who recognise the quality of our stunning designs which are supplied exclusively to the Interior Design trade. From luxurious hotels, to private villas and country estates our renowned reputation for supplying outstanding products is developing year on year.

Loyal and fully committed to our customers, we pride ourselves on providing an excellent customer service, offering guidance and advice when required, whilst our team of skilled engineers and craftsmen are able to create bespoke items to individually suit the most challenging of projects. Additionally, we are able to supply customized bay poles in both Acrylic and Metal as part of our Bespoke Service.

Acrylic

Simply breathtaking and ultimately contemporary in appearance, the Acrylic collection is manufactured from crystal clear, solid cast acrylic with a diverse choice of stunning finials. Innovative and thoughtfully designed brackets and lined metal rings can be supplied in any finish, along with an inspiring collection of acrylic and metal holdbacks which complete the overall look perfectly. The collection is supplied in 65mm, 50mm and 30mm diameters. As part of our bespoke service we supply customized bay poles to your specifications.

Synergy

From cool and calm to dark and moody palettes, the paint colour is entirely your choice.

Poles, finials and rings are custom hand painted and lightly waxed.

The Synergy collection can be combined with Acrylic and Metallics to achieve a truly unique and distinctive design, from urban chic to rustic charm.

The beauty of the Synergy collection is the versatility and individuality it offers.
